Our Equipment:

Bass:

1 Combo Amp (with DI Out)

Guitars:

2 Combo Amps! (no half-stack as depicted in the stage plot)

Drums:

If a shell set (kick drum, 1 rack tom, 1 floor tom, 2 cymbal stands, hihat stand, snare stand, seat) can be used at the venue, we will only bring breakables (Snare drum, kick, cymbals (1 hihat, 1 crash, 1 ride), kick drum pedal).

If there is no shell set available at the venue, we will bring: kick drum (24" or 20"), rack tom (12") floor tom (16" or 14"), stands for 2 cymbals, 1 hihat, snare drum, seat. (+ breakables) the drums can be used by the other bands.

Requirements:

Bass and guitar players will sing during our performance, so we will need 3 vocal microphones (+ stands).

Monitors for all four band members are appreciated.

Food/drinks:

We all like water, beer and vegetarian food. Michael also likes meat a lot, but is allergic to spinach and nuts.
